Aboutus.

---

# Philoso- phy.

We all want to feel comfortably in our home - rest, meet up with the family and friends. We want our apartment to express ourselves - our style and personality. Each of us wants to create our own space, according to our principles, tastes and inspirations.

This is why CLASSIC FURNITURE is a wide selection of lounge furniture and associated elements, selected in a way to meet individual expectations. Some will find modern, European design in our offer, others will choose it due to its extraordinary quality of workmanship and materials used.

**And what are you looking for?**

---

# Collec- tion.

We believe that a wide assortment and constant introduction of new products prove diligence in offer selection. That is the reason why our collection is a broad range of sofas and armchairs, designed with the possibility to fit-out a variety of interiors in mind.

We invite you to discover the CLASSIC HOME collection. We do hope that it brings you many inspirations in searching for interesting solutions for your living room and the entire home. We offer a diverse range of colours and upholstery material patterns. We hope that our wide fabric offer can help you fulfil your expectations and perceptions of the furniture you dream of. Because in our understanding, diversity not only means the selection of one of several options.

We want it to mean freedom, allowing you to express your lifestyle through the interiors you create.
